SUPPLEMENT NO. 1,  
to Agreement dated  
January 25, 1971.

Dear Mr. Manion:-

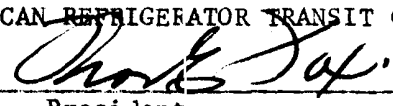

Referring to LEASE OF RAILROAD EQUIPMENT 40-TON - BOX CARS, AAR CLASS XP, entered into January 25, 1971, by and between American Refrigerator Transit Company, "Lessor," and Missouri Pacific Railroad Company, "Lessee", covering the conversion of certain of Lessor's used insulated refrigerator cars in 91000 series, AAR Class RSM, to box cars, AAR Class XP, and the leasing by Lessor to Lessee of said cars more specifically described in Schedule "A" as 200 - 40-Ton Box Cars, AAR Class XP, Numbered MP 112400 - 112599, both inclusive.

By mutual agreement the parties thereto are desirous of changing the designation of the cars to AAR Class XM in lieu of XP and Lessor agrees to stencil the designation XM on cars remaining to be converted. The designation XP will be changed to XM on the cars previously converted as they become available on Lessor or Lessee's repair tracks and the expense of restencilling will be borne by the party performing the work.

If agreeable to you, and you will so indicate by affixing your signature in the space provided therefor, this letter will constitute Supplement No. 1 to agreement dated January 25, 1971.

Very truly yours,

AMERICAN REFRIGERATOR TRANSIT COMPANY,

  
President.
